President's Message

"VOLUNTEERS ARE THE ONLY HUMAN BEINGS ON THE FACE OF THE EARTH WHO REFLECT THIS NATION'S COMPASSION, UNSELFISH CARING, PATIENCE, AND JUST PLAIN LOVING ONE ANOTHER." ERMA BOMBECK

As summer begins to fade, children get ready for a new school session, and our Club is looking forward to starting up our regular general membership meetings. We are just about on the same schedule as the school systems, September to May with a break in December.

As I look back at the summer I cannot help but appreciate all of our members and the outstanding volunteerism they exhibit. Over the summer more than half of our members, approximately 40, including several new faces have been participating in projects by preparing back packs for the Special State Project, Emmanuel Cancer Foundation, collecting, sorting and packing back to school supplies for social services, promoting our Club at National Night Out in Rockaway and at the Denville Farmers' Market, and assisting with the upcoming the Joey Bella Tricky Tray fundraiser. I was overwhelmed with pride when I looked around the room one Saturday to see ten club women busy making raffle baskets for the tricky tray event. They were productive and working hard but every one of them had a big smile on their face, there was laughter in the room. Obviously we enjoy helping others!

Hundreds of club member hours are spent every year volunteering in our communities. This is our Club's mission to "support both organizations and individuals in need by contributing either time, monetary or in-kind donations," Winston Churchill said, "you make a living by what you get. You make a life by what you give." I think each one of our fifty seven members believe this and we will continue to try to make a difference in our communities, one project at a time.

Your Executive Board met recently and have a number of fundraising and project ideas to introduce to you for the upcoming year. In September, we will again participate in the Operation Christmas Stocking project to help support our troops. I look forward to seeing you at one of the in-person meetings on the evening of September 12th or on the afternoon of September 13th.

Yours in federation friendship,

Janet

Shop Rite 'Cash for Causes' Fundraiser-Continued

Ask your family members who shop there if they can help us out by purchasing a gift card to do their own grocery shopping. Most shoppers drop \$50.-100 bucks at a time in the grocery store so instead of charging it just once or twice they will indirectly be making a small donation to our club.

Shop Rite gives back 5% of the total Gift Card purchased but the only drawback is that the minimum order has to be for \$1000. worth of cards. (The Scrip RAISERIGHT profit on Shop Rite cards is only 4% and we have to pay a shipping fee too.)

If you plan to make donations to the food pantries in this area they are happy to accept Shop Rite gift cards in any denominations.

You can order Shop Rite cards in these denominations: \$10., \$20, \$25., \$50., \$100.

All check payments must be made out to

our club, GFWC Woman's Club of Denville-Rockaway.

Please **email me directly** at karen.lazur@gmail.com with the number of cards and the denominations you would like to purchase. You can bring your checks to the September meetings or mail them to me or even venmo me. @Karen-Lazur

Here is my address:

Karen Lazur
10 Mount Pleasant Ave, Apt J-304
Dover, NJ 07801

The final day for placing your Shop Rite gift card order is Friday, September 16, 2022 and I will get the cards to you before the end of September.

Thanks everyone for your participation.

August 2nd Tuesday 6:00 PM National Night Out-Firemen's Field

Paula Bass, Nancy Fitch and I represented the club at the Rockaway Borough National Night Out. National Night Out is an annual community-building campaign that promotes strong police-community partnerships and neighborhood camaraderie to make our neighborhoods safer, more caring places to live and work. In NJ the event is held the first Tuesday in August in over 100 cities/towns.

(L-R) Karen Lazur, Nancy Fitch and Paula Bass

Our club participated in the Rockaway Borough event. We were given space under a tent with a six foot table and chairs.

We hung our club banner on the table and set out paper and markers for the children to make thank you cards for the Police officers.

We also had bubbles and sidewalk chalk (left over from Easter collection) as give aways for the kids. We had club trifolds and spoke to women about our club. There was lots of free food, live entertainment and many other non-profits there to raise awareness.

At the end of the evening we gave the Rockaway Borough Police an envelope with 30 cards made by the children.

August 26th – Friday - Women's Equality Day-Commemorating the Ratification of the 19th Amendment- Woman's Right to Vote

Women's Equality Day is celebrated in the United States on August 26 to commemorate the 1920 adoption of the Nineteenth Amendment to the United States Constitution, which prohibits the states and the federal government from denying the right to vote to citizens of the United States on the basis of sex. In honor of this very important day Susan Kleczynski organized, at Hedden Park, on Friday, August 26 at 11:30, a picnic. 10 of our members and one adorable dog, Bob Barker enjoyed each other's company. We discussed how the US Congress presented a Joint Resolution to vote on the 19th Amendment on May 19th 2019, the Amendment not ratified by the needed 36 states 'til August 26th 2020.

Remembering 9/11

http://www.chiff.com/home_life/holiday/september-11.htm

In recent years, 9/11 commemorations have been placing less emphasis on the events of the day, and focusing more on the natural resilience of the US in the face of utter tragedy.

To that end, volunteering has markedly increased since the attack, as more Americans take part in community service in a positive step to remember those lost on 9/11.

The Tribute in Light reaches to 4 miles in the sky and can be seen from up to 30 miles away.

In New York, ongoing focus remains on One World Trade Center in downtown Manhattan, the tallest building in the Western hemisphere at 1,776 feet. The single skyscraper replaces the iconic Twin Towers, destroyed on September 11, 2001 marking the first ever modern attack on US soil.

Solemn ceremonies and events are planned every year to mark the day, considered one of the darkest in America's history on a par with the attack on Pearl Harbor.

Traditional 9/11 Events in NYC happening in 2021

- As always, the anniversary of 9/11 in New York City will be marked at Ground Zero with four moments of silence -- to observe the times when each plane hit and each tower fell, beginning at 8:46 am. Family members of all 9/11 victims are always invited to attend.
- Nearby St. Paul's Chapel traditionally hosts morning bell services followed by Prayers for Peace and ringing of the Bell of Hope in remembrance of 9/11.
- "The Tribute in Light" Comprised of 44 7,000-watt xenon light bulbs arranged into two 48-foot squares in the shape of the twin towers, the tribute in light is located at West and Morris Streets in Lower Manhattan. Each year, the lights are lit at sunset on 9/11 and burn brightly until sunrise on September 12

Seeing the 9/11 Memorial & Museum

The National 9/11 Memorial was dedicated on September 11, 2011 on the 10th anniversary of the 9/11 attacks in a ceremony for victims' families. The following day, it opened to the public on September 12, 2011 and remains open for visitors with advance passes.

NATIONAL BLOOD CANCER AWARENESS MONTH

<https://nationaldaycalendar.com/national-blood-cancer-awareness-month-september/>

During September, National Blood Cancer Awareness Month sheds light on the cancers that affect the blood and lymphatic systems.

The observance focuses its attention on all blood cancers, including leukemia, lymphoma, multiple myeloma, and myelodysplastic syndromes. By raising awareness, the goal is to inform the public about the causes of blood cancers, how to identify the symptoms, available treatments, and progress made through research.

NATIONAL RICE MONTH <https://nationaldaycalendar.com/national-rice-month-september/>

Throughout the entire month of September. With over 40,000 kinds that grow on every continent, except in Antarctica, we have 30 days to discover as many varieties as possible. Rice is the oldest known food still consumed today. Rice was first grown about 130 million years ago in the south-eastern part of Asia. Rice is the second-highest grain produced worldwide after maize (corn). Nearly 85% of rice consumed in the U.S. is grown domestically in six states: Arkansas, California, Louisiana, Mississippi, Missouri, and Texas. Rice is a complex carb, low in fat, making it very healthy to eat!

There are four types of rice and each is different from one another:

- White rice is the most common and the inferior rice of the four. So, unlike other rice varieties, white rice has few nutrients, making it the least healthy.
 - Brown rice is whole grain rice rich in thiamine, iron, and zinc. Because of this, brown rice has a chewy texture and gives a fuller feeling after eating.
 - Black rice full of rich nutty, earthy flavors. Interestingly, scientists classify black rice as a different species from white and brown rice. On a nutritional level, black rice is an excellent choice for diabetics, as it has a very low glycemic index.
 - Red rice is similar to black rice on the nutrient scale, except it provides more antioxidants to the body. The antioxidants found in red rice attribute to the rich red color of the rice.
- (In honor of my son who eats rice 3 times a day)

WHOLE GRAINS MONTH <https://nationaldaycalendar.com/whole-grains-month-september/>

Throughout September, Whole Grains Month promotes the benefits and flavors of whole grains in a healthy diet.

Whole grains include the entire seed of a plant. A grain seed is composed of three parts.

- Bran – The outer shell of a seed or kernel is hard and contains important minerals, antioxidants, and fiber.
- Endosperm – The next layer of a seed or kernel (or the middle layer) contains most of the carbohydrates found in grains.
- Germ – The center layer provides vitamins, minerals, and necessary protein.

Whole grains are a vital part of a healthy diet. Not only do whole grains help reduce heart disease and diabetes, but it also helps improve bowel health.

A few kinds of whole grains to start incorporating in your diet include: Oat, Rice, Quinoa, Buckwheat & Bulgar

Tricky Tray Baskets in Progress With Help From Our Members

The day of the Tricky Tray Event, to benefit the Joey Bella Memorial Fund, is fast approaching. Susan Richardson, with daughter, Cory, are leading the enormous annual task, once again, of creating the vast amount of beautifully assembled baskets to be auctioned off at the Joey Bella Tricky Tray, that is scheduled for Friday night, September 9th, at 6:00 PM at Gardner Field, in Denville. This year a space in the area of the former Food Town shopping strip was allotted to assemble the Tricky Tray Baskets (instead of in Susan's Home where Tricky Tray baskets have been assembled for over 30 years in the months before the event).

Number of baskets in new space

A large number of our Woman's Club members have volunteered, through the last several weeks, (as in the years prior) to help in the assembling of these baskets. And there are plenty more baskets be assembled.

Many items have been donated, from businesses as well as from our members, to be placed in these baskets. See following page for info on both Joey Bella Memorial Fund events, the Tricky Tray and the Band Beer Beefsteak Dinner. Now back to work ladies.

**** Ongoing Club Collections ****

*All items can be brought to our meetings and given to the person collecting them
(Once we can resume regular meetings).*

All drop-offs should be checked with COVID-19 policies

***Collection for Rockaway Food Pantry –Presbyterian Church – [Pat Bomus](#).** The Rockaway Pantry is low and needs several types of donations. See page 10 for items requested, location and hours of drop off.

***Aluminum Tabs – [Susan Kleczynski](#).** From beer and soda cans for Ronald McDonald House, a nonprofit family & children's charity dedicated to supporting families with sick children in their time of need.

***Inkjet/toner cartridges – [Joan Bowling](#).** Don't forget that we continue to collect used inkjet and toner cartridges. Thanks to Joan, many are sent back to be recycled for cash back. She deals with three companies and gets prepaid shipping labels from them. The club has drop offs locations at Provident Bank, Investors Bank, & SmartWorld coffee.

***Eyeglasses – [Joan Bowling](#).** They go to Eyes for the Needy and the Lion's Club. If Joan has a big load of eyeglasses she contacts a person in Rockaway who takes them to Millburn to Eyes for the Needy.

***Cell phone collections – [Joan Bowling](#).** This is a good moneymaker. Joan gets prepaid shipping labels and sends the phones to a company who sends our club a check. **Joan is putting out plea for more cellphones to be delivered to her. She needs more cell phones in order to send a box in.**

***Collecting of Greeting Card – [Joan Bowling](#).** Joan is collecting the fronts of greeting cards.

***Coupon Flyers – [Joan Bowling](#).** Only coupons that have NOT expired. These are given to Social Services in Denville.

***Birthday Bags – [Joanne Chiaravalloti](#).** The Birthday bag items consist of cake mixes, frosting, small birthday design plates and napkins, candles and a birthday gift bag. Joanne puts them together and they are given to Social Services in Rockaway and Denville.

***Small Toiletries – [Nancy Levy](#).** These items, small and trial size, are needed for the care bags that are given to social services and other local organizations. They include: shampoo, soap, toothbrush, toothpaste, deodorant and lotion.
