President's Message

“How important it is for us to recognize and celebrate our heroes and she-roses!” Maya Angelou
Throughout much of history, November has often been thought of as a somber month because it signaled the beginning of winter. Years ago people would spend the month storing up their harvest and preparing their food and homes in order to survive the winter.

There are two significant national holidays during the month of November; Thanksgiving when we look forward to gathering together with our families and loved ones, and Veterans Day. Veterans Day originated as “Armistice Day” on November 11, 1919, the first anniversary of the end of World War I. Congress passed a resolution in 1926 for an annual observance, and November 11 became a national holiday beginning in 1938. President Dwight D. Eisenhower officially changed the name of the holiday from Armistice Day to Veterans Day in 1954. The day of the celebration has changed several times. In 1968, the Uniform Holidays Bill was passed by Congress which moved Veterans Day to the fourth Monday in October. But then President Gerald Ford returned Veterans Day to November 11 due to the important significance of the date. Unlike Memorial Day, Veterans Day pays tribute to all American veterans, living and dead, but especially gives thanks to living veterans who served their country honorably during war or peacetime.

To celebrate Veterans Day, we are pleased to have Jeanne Murphy, a veteran and one of our own members, provide a presentation at the general membership day meeting on November, 15th at 1:30pm. We hope many of you will join us to meet with Jeanne.

Yours in federation friendship,
Janet

What The Flag Means

The Flag is many things. It is a mark of identification of ships at sea and of armies in the field. It is a means of communication. When you see our Flag in from of a home, it says for all the world to read, "here lives a family that is American in spirit as well as in name." The Flag is a mirror, reflecting to each person his own ideals and dreams. It is a history. Its thirteen stripes and fifty stars embrace a record written greatly during the years since 1776. It is a mark of pride in a great word -- the word "American." It is an aspiration of what small children want their lives to be. It is a memory at the end of life of all that life has been. It is a ribbon of honor for those who have served it well -- in peace and war. It is a warning not to detour from the long road that has brought our country and its people to a degree of prosperity and happiness never even approached under any other banner. Edward F. Hutton. *Janet W.*

Every 2 seconds, someone in the U.S. needs blood. This constant need for blood can only be met by generous donors like you, and when you give blood, you could save the life of a cancer patient or someone needing open-heart surgery. Remember, it's the blood on the shelves hospitals turn to in emergency situations. Make blood donations a part of your routine. If you would like

I was pleased to be able to attend the State Fall Conference at the Battleground Country Club in Manalapan, N.J. on October 24th. Shirley Holly, NJSFWC President presided at the meeting. There was an informative presentation by the co-directors of the Emmanuel Cancer Foundation which is the current special state project. The keynote speaker, Julia Orlando, from the Bergen County Housing, Health & Human Services described their countywide program which has eliminated homelessness and the facility which provides counseling, rehabilitation and accommodations for men, women and children. NJSFWC Community Service Chairmen spoke about a number of projects clubs could consider in the areas of Civic Engagement, Education and Libraries, Environment, Communications. Nancy Levy, chair for Advocates for Children presented several projects which I may ask her to describe to our members at a future meeting. Barbara McCloskey, NJSFWC President-elect participated in the program by presenting GFWC project awards to a number of New Jersey clubs.

Project KIND
@loveinaction123 - Nonprofit organization

October 17th -Monday Project KIND Zoom Presentation.

Jenny DePaul, founder of Project KIND, gave a wonderful zoom presentation on her organization. Jenny explained she found the organization 11 years ago in order to teach her daughters how to reach out to the community and bring communities together to help those in need. Her first project was bringing in foster children into her own home. Jenny also told how she would bring her daughters down to Penn station with sandwiches to share with homeless people there and listen to their stories. Then she extended her services to collecting from the community items and monies that individuals needed throughout the communities. Jenny explained how she posts in Facebook and Instagram to reach out to the community for these needs. and she would find her porch filled with items people gave such as food. She'd also been able to get corporations to join in giving, as Toyota actually donated a van. Because Her Project Kind Organization succeeded to grow in the amount of giving that she moved to make it a nonprofit organization. Jenny succeeded in acquiring space, a kindness closet in Rockaway. Jenny says her organization has succeeded to collect blankets, hats, gloves, sandwiches, monetary donations for the homeless. But Jenny's Project Kind Organization has gone beyond our communities, collecting for Ukraine as well as for Texas, during their recent disastrous floods. Uber donated a tractor-trailer to bring the goods to Texas. Jenny appealed on Facebook and Instagram for collections succeeding to fill the whole tractor-trailer going down to Texas. Presently Jenny is looking for another space, the former one discontinued because of COVID-19. Jenny's tireless effort, thought, to collect from the communities, has continued throughout COVID-19 and beyond, fervently, Jenny knowing these goods and monies, for those in need, were and continue to be needed even more. Presently, at Starbucks, in Denville, in the Walgreen shopping mall there is a basket from Project Kind, to collect the blankets, gloves, hats, snacks, that the homeless need.

LUNG CANCER AWARENESS MONTH

American Association
for Cancer Research

<https://www.aacr.org/patients-caregivers/awareness-months/lung-cancer-awareness-month/#:~:text=November%20is%20Lung%20Cancer%2>

Lung cancer is the most common cause of cancer death in the United States and worldwide. In fact, lung cancer is responsible for more deaths in this country than the next three most common causes of cancer death combined – colorectal cancer, breast cancer, and pancreatic cancer.

According to estimates by the National Cancer Institute's Surveillance, Epidemiology, and End Results (SEER) Program, 235,760 patients will be diagnosed with lung and bronchus cancer and 131,880 patients predicted to die of the disease in the United States in 2021.

Smoking is the most common cause of lung cancer. Other risk factors for lung cancer include being exposed to secondhand smoke, having a family history of lung cancer, being treated with radiation therapy to the breast or chest, exposure to asbestos, chromium, nickel, arsenic, soot, or tar in the workplace, and exposure to radon. When smoking is combined with other risk factors, the risk of lung cancer is increased.

There are two main forms of lung cancer – small cell lung cancer and non-small cell lung cancer. Non-small cell lung cancer is the more common form of the disease. The most common subtypes of non-small cell lung cancer are squamous cell carcinoma, which begins in the thin, flat squamous cells; large cell carcinoma; and adenocarcinoma, which begins in the cells that line the alveoli, the tiny sacs within the lungs.

Centers for Disease Control and Prevention
CDC 24/7: Saving Lives. Protecting People™

Lung Cancer Among
People Who Never
Smoked

<https://www.cdc.gov/cancer/lung/nonsmokers/index.htm>

In the United States, about 10% to 20% of lung cancers, or 20,000 to 40,000 lung cancers each year, happen in people who never smoked or smoked fewer than 100 cigarettes in their lifetime. Researchers estimate that secondhand smoke contributes to about 7,300 and radon to about 2,900 of these lung cancers.

I have been diagnosed with Lung Cancer, Stage 4. I never smoked or exposed to secondhand smoke in any of my homes. I urge you to have your homes tested for radon even if you don't have a basement. Ruth G.

**** Ongoing Club Collections ****

*All items can be brought to our meetings and given to the person collecting them
(Once we can resume regular meetings).*

All drop-offs should be checked with COVID-19 policies

***Collection for Rockaway Food Pantry –Presbyterian Church – [Pat Bomus](#).** The Rockaway Pantry is low and needs several types of donations. See page 10 for items requested, location and hours of drop off.

***Aluminum Tabs – [Susan Kleczynski](#).** From beer and soda cans for Ronald McDonald House, a nonprofit family & children's charity dedicated to supporting families with sick children in their time of need.

***Inkjet/toner cartridges – [Joan Bowling](#).** Don't forget that we continue to collect used inkjet and toner cartridges. Thanks to Joan, many are sent back to be recycled for cash back. She deals with three companies and gets prepaid shipping labels from them. The club has drop offs locations at Provident Bank, Investors Bank, & SmartWorld coffee.

***Eyeglasses – [Joan Bowling](#).** They go to Eyes for the Needy and the Lion's Club. If Joan has a big load of eyeglasses she contacts a person in Rockaway who takes them to Millburn to Eyes for the Needy.

***Cell phone collections – [Joan Bowling](#).** This is a good moneymaker. Joan gets prepaid shipping labels and sends the phones to a company who sends our club a check. **Joan is putting out plea for more cellphones to be delivered to her. She needs more cell phones in order to send a box in.**

***Collecting of Greeting Card – [Joan Bowling](#).** Joan is collecting the fronts of greeting cards.

***Coupon Flyers – [Joan Bowling](#).** Only coupons that have NOT expired. These are given to Social Services in Denville.

***Birthday Bags – [Joanne Chiaravalloti](#).** The Birthday bag items consist of cake mixes, frosting, small birthday design plates and napkins, candles and a birthday gift bag. Joanne puts them together and they are given to Social Services in Rockaway and Denville.

***Small Toiletries – [Nancy Levy](#).** These items, small and trial size, are needed for the care bags that are given to social services and other local organizations. They include: shampoo, soap, toothbrush, toothpaste, deodorant and lotion.
